Greetings to you in the matchless name of our Lord and Savior Jesus Christ.

I would like to express my heartfelt gratitude for your fervent prayers and financial support for my ministry. Through your prayers I am able to do the ministry effectively and faithfully. Please continue to uphold me in your daily prayers. I too pray for you in my prayers. May the Lord showers His blessings upon you.

During the past months God enabled me to overcome all the difficult situations that I faced in the ministry. Wherever I go He protected me as an apple of His eye. He answered all my prayers and satisfied all my needs. He protected my family under His mighty wings and leading us in a mighty way. I thank God for all His love and mercies upon my family and me.

At present I am serving the Lord as a pastor and evangelist in Rajarathinam area among different people groups. People are worshipping idols and living according to their traditional cultures. Also they are very stubborn in their nature. They are not responding positively to the Gospel. Pray that God would touch them and may come to the saving fold of Christ.

There are 24 believers and 60 children are in our church. Apart from this we have one mission station in Broadway area where six people are gathering and worshipping the Lord. Pray that God would enable us to start more mission stations in this district.

I involve in-house visiting, home-prayer meetings, personal evangelism, tract distribution, children's ministry and outreach ministry. While doing outreach ministry I met a boy who was possessed by an evil spirit. Due to this he was not able to concentrate on himself. We prayed to God to deliver that boy. God answered our prayers and after two days he was totally delivered from this possession. As a result he received Christ Jesus as his personal Savior and coming to our church. Please pray for the salvation of his family members.

During the last six months I have distributed 250 Gospel tracts, 15 New Testaments and three Bibles. We are traveling eight to 14 kilometers per day to share the Gospel to the unreached people.

- Pray for the salvation of the people in the villages Ezhil Nagar, Rajarathinanagar, Thandaparpettaia and Broadway. Also pray that God would touch each and every one in these villages.
- Pray for the spiritual growth and blessings of our church believers.
- Pray for the new believers that they would stand firm in their faith and also in Christ.
- Roslin did not have a child for the past five years. Pray that God would bless her with a child in this year itself.
- Pray that God would give a permanent job to Gopal and Meshak
- Pray that God would enable me to develop my ministries in the days to come.

In Christ,

Jeba Kumar Aroon

Demon possession frequently happens in areas where people open themselves up to evil spirits through their pagan worship and rituals. Just as in the Bible, these forces control and destroy their lives.

Whenever such an individual is set free through prayer, non-Christians are able to clearly recognize that Jesus is the living God. Often this directly results in many conversions and a church being established.
